

Dear Friends,

We warmly welcome you and your family to our **Southern Tradition Angus Production Sale** on Saturday, April 27, 2013. It is an exciting time to be in the cattle business as the cattle market continues to exceed expectations and the future for the industry looks bright!

Now is a great time for cattlemen to expand and invest in the improvement of their herds. We're pleased to offer you cattle that we believe will have a positive impact on your program and therefore your bottom line. These females are designed with strong maternal traits, fertility, structural soundness, and longevity.

This sale represents some of the finest females produced in our expanded Angus operation. The Lot 1 Lucy heifer is an exciting daughter of Brand Name with limitless potential. She and her maternal sister by Heavy Hitter are two of the best daughters produced from our foundation Lucy, who is one of the top producing daughters of the famous Lucy 178E. Females are featured from the breed's leading cow families with top sires represented. Whether you are in search of strong bred heifers or profit-making cow/calf pairs, we are confident that you will find what you are looking for. There will be something for everyone.

We sincerely thank our past customers who have invested in our genetics. We appreciate you and thank you for placing your confidence in our program. Thanks for sharing a good word about Tanner Farms to your family, friends, and neighbors. Your endorsement is "priceless" and very much appreciated!

Please accept this letter as a personal invitation to our sale! Come early and join us for a Southern breakfast at 8:00 and lunch at 11 a.m. The cattle will be on display sale morning, so plan to spend a day enjoying delicious food, good fellowship, warm Southern hospitality, and a great day on our farm.

We look forward to seeing you!

Gary and Lorrie Tanner

Purchasing and restoring a farm dating back to 1845, we began to expand our registered Angus program, Much work had to be done to bring this oncethriving farm back to life. For almost thirty years, the farm and plantation home bad lain fallow and unoccupied. Fields were reclaimed, fences and ponds built and repaired, and grasses and corn were planted where long ago cotton had once been king. The lush green hills today bear witness to God's redemptive hand on this land just as He works in the lives of people. The Lord blessed us in this undertaking; may He be bonored and glorified in all we do!

Psalm 34: 1-10
