Southern Tradition Angus

BULL AND FEMALE SALE

Dear Fellow Cattlemen,

It is our pleasure to welcome you and your family to our Southern Tradition Angus sale on Saturday, April 23, 2011 at noon. We have been working diligently to bring you a sale offering we are very proud of!

You will find in this year's offering a tremendous set of females! They include three flush sisters from one of our featured donors - Whitestone Lucy 7014. Other features include progeny out of two of the most impressive young donors we own, Tanner Gammer 850 and Whitestone Gammer V234, both of whom are maternal sisters to the bull that led the Angus breed for registrations three years in a row and is a featured member in the ABS Global AI Stud, Bon View New Design 878.

We are excited to introduce the latest addition to our donor lineup: SAV Polly 9289. She was selected as the top-selling featured open female in the 2010 Schaff Angus Valley sale. We are offering a confirmed heifer pregnancy from this elite young donor. In addition to these sale features, we will be selling both open and bred heifers, young cows and cow-calf pairs, potential donor prospects, and, last but not least, an excellent group of fall-born, service-age bulls ready to go to work. These bulls are bred to sire moderate-frame, easy-fleshing cattle that can tolerate the heat and humidity of our southern climate. Our bulls are semen- tested and guaranteed fertile. We will be happy to assist you in selecting a bull that would best fit your needs. Please feel free to call or come by the farm for a visit. We are eager to answer any questions you may have or assist you in any way we can.

We would like to extend a special "thank you" to our past customers! We appreciate you and thank you for placing your confidence in our program. Your loyal support and friendship is the cornerstone of our operation.

Please accept this letter as a personal invitation to our sale. Come early and join us for a Southern breakfast at 8:00 a.m. On sale day, the plantation home, Tannahoe, will be dressed for Spring and open for tours between 9:00 a.m. and 10:30 a.m. Our sale cattle will be on display Friday afternoon at 4:00 p.m. and also Saturday morning.

We look forward to seeing you!

Lorrie and Gary Tanner

Purchasing and restoring a farm dating back to 1845, we began to expand our registered Angus program. Much work had to be done to bring this once-thriving farm back to life. For almost thirty years, the farm and plantation home had lain fallow and unoccupied. Fields were reclaimed, fences and ponds built and repaired, and grasses and corn were planted where long ago cotton had once been king. The lush green hills today bear witness to God's redemptive hand on this land just as He works in the lives of people. The Lord blessed us in this undertaking; may He be honored and glorified in all we do!

This special Polly heifer combines the calving-ease and balanced performance of the popular Genex/CRI Pathfinder Sire SAV Final Answer 0035 with the awesome performance and power of her donor dam who is the result

of mating the \$45,000 Genex/CRI sire SAV Heritage 6295 with the now-deceased SAV and Beaver Ridge featured donor BR Polly 8077-472, who has generated nearly \$500,000 in progeny sales to date and records a progeny weaning ratio of 112 on four natural calves along with a progeny yearling ratio of 115 on three head with two daughters in production posting a collective progeny weaning ratio of 107 on their first calves.

BR Columbus 472, a maternal brother to the dam of this heifer, is the SAV herd sire who is the number 1 WDA Performance Bull of the 2007 Midland Bull Test.

A maternal sister to the dam of this heifer was a \$25,000 feature of the 2011 SAV Sale where SAV Harvester 0338, a paternal brother to the dam of this heifer, was the \$275,000 record-selling bull.

“A TANNAHOE TALE”

We have been in the commercial cattle business all of our adult lives and had begun to use Angus bulls to improve the quality of our calf crop. Being so pleased with our first Angus pair we began to invest more heavily in high-quality genetics to produce a better product and began to look for a place to expand our cattle operation.

While taking our son to baseball camp, Lorrie and I saw the property we'd admired while traveling to MSU during our college days. We realized this wonderful property was apparently abandoned and upon investigation found it was for sale. Purchasing the farm, we put on our working gloves, began restoring the farm, and building a dream that had been thirty-four years in the making.

The farm itself is steeped in history. The land the house is built upon was originally purchased in 1845 by 19-year-old E.F. Nunn. He became a farmer, miller, cattle producer, general store owner, and was a member of the Mississippi Legislature. He was called into the Civil War where he rose to the rank of Major. He fought in the battle of Shiloh, later lost a hand, was taken prisoner and eventually released. Nearing the war's end, Major Nunn realized the South was losing and wrote a letter home to his wife. She was instructed to bury the cotton in the deep woods and trade their money for gold. Thus, they had hard currency and a cash crop when the war ended. Later, over 450 tenant families farmed the property growing cotton, corn and other crops. They supplied the local CCC camps with dairy products and other produce. Tannahoe, meaning “Green Acres” in Choctaw, was named by the original owners, and remained in the Nunn-Evans family for five generations until we purchased it from them in 2000.

Much work had to be done to bring this once-thriving farm back to life. For almost thirty years, the farm and plantation home had laid fallow and unoccupied. Fields were reclaimed, fences and ponds built and repaired, and grasses and corn were planted where long ago cotton had once been king.

The lush green hills today bear witness to God's redemptive hand on this land just as He works in the lives of people. The Lord blessed us in this undertaking, may He be honored and glorified in all we do!

Psalm 34:1-10

CONGRATULATIONS HOLLY!

Tanner Rita Y526 was selected as the Junior Champion Heifer of the 2011 Florida State Fair Angus Show. Holly Sigler, Sigler Angus of Graveland, Florida, purchased this heifer from Tanner Farms in the Fun In The Sun Sale, West Palm Beach Florida.
